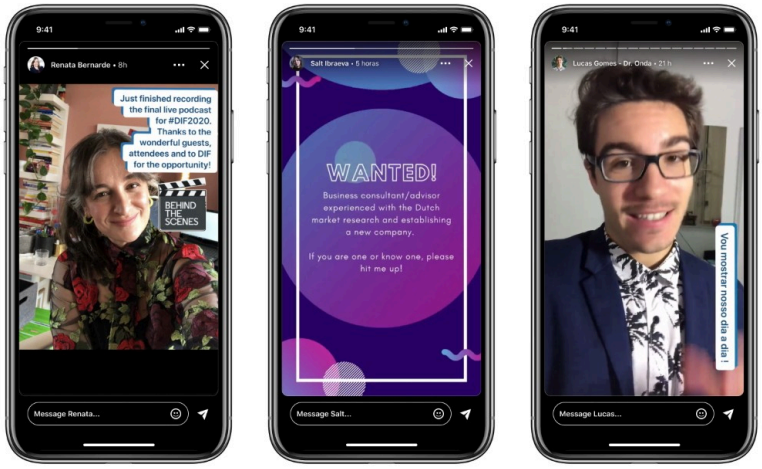
XPRIZE RAPID COVID TESTING

FIELD NOTES COMMS TOOLKIT

As XPRIZE Rapid Covid Testing semi-finalists receive testing kits to validate their solutions, we want to encourage ongoing filming of prize teams in their quest to help reopen society, safely.

THE ASK
Please record yourself and the team in a '60-second selfie video, a 'Field Notes' film, to keep us up-to-date on what is happening. Then, post the video via social channels with #RapidTesting and tag @XPRIZE. Additionally, if you would like a chance to be to have your video produced into an XPRIZE video, please submit your Field Notes to https://cloud.greenrock.tv/index.php/s/Db1yvXGY2Ku9V9y

WHAT MAKES A GOOD FIELD NOTE?
This format needn't be bogged down in the context of the overall prize, just a snapshot.



What this is	What this isn't
Off the cuff team generated content	Polished content
One part of the greater narrative of each prize	All encompassing narrative

Snap shot of team activity	Overview of prize
Bankable content for raising awareness of prizes	Detailed look at the specifics

QUESTIONS TO SHAPE THE RECORD

Who are you and what do you do?

Where are you recording the message from?

What are you working on at the moment?

How will this impact your future work?

WHAT SHOULD I POST ON SOCIAL?

To help, XPRIZE has drafted a suggested social copy example. Edit where needed to match your channel's tone and voice.

- **Suggested Copy:**
  COVID-19 has impacted our lives for too long. We want everything to reopen, but it needs to happen safely. We're one of 219 teams in the $5M XPRIZE Rapid Covid Testing competition trying to solve this problem. Follow along our #RapidTesting journey with @XPRIZE.

HOW CAN I HELP PROMOTE THIS CAMPAIGN?

Our goal with the campaign is to let the world know people are working on solutions to help society reopen. Other teams will be posting videos. Click on the hashtag #RapidTesting, and share videos of other competitors. Be sure to mention and tag @XPRIZE in your social media accounts where possible.
