

Thank you for your interest in our California research.

FloodLAMP

BIOTECHNOLOGIES

The FloodLAMP COVID-19 Kit is for at-home sample collection and pick-up for processing by our local lab.

Here's How This Research Study Works

- 1_** We will bring the COVID-19 Kit to you.
- 2_** Your household will self-collect a nasal sample following the instructions included in the Kit.
- 3_** You will follow the instructions for coordinating sample pick-up or drop-off.

This study is intended for participants who are not experiencing COVID-19 symptoms

Must be 14 years or older to participate in this study.
